VALUE – We are also committed to being sensitive to your budgets. Whenever possible, we have tried to hold prices, even if using specialty ingredients or if the cost of product has increased. Suites should be the best food at the best prices at the best level in the ballpark.

Here's a sneak peak at what's  this year:

Monthly Summer Exclusives: Each month, we will provide you with a new appetizer, entrée and dessert option to choose from. Offered exclusively for

- our suite level customers, no other Biscuits fans will be able to experience these treats!

Monthly Wine Offerings: While we still have our house favorites for only \$25 per bottle, we will add new selections each month. These selections

- will be handpicked to complement the monthly summer exclusives.

We are committed to providing you with the customer service you deserve. Feel free to contact us with any questions, comments, concerns or suggestions. Thank you for your business.

In the event that a game is canceled due to inclement weather prior to gates opening, the suite holder will not be held responsible for food orders. In this situation, you will be contacted by a Montgomery Biscuits representative.

If a game is delayed prior to or during play, food will be delivered to your suite as planned unless suite holder cancels order 4 hours prior to game time.

Bar Stocking *(recommended for Private Suite Owners)*

To enhance the beverage service in your suite, we recommend the use of a standing beverage inventory. We will help you custom design your bar inventory and will restock your bar located inside your suite after every event. Additions or deletions to your standing order can be made at any time throughout the season.

Dessert Cart

We provide a variety of treats for you to choose from on our dessert cart. The dessert cart will come directly to your suite during every game after your main course has been served. Cheesecake, cordials, cookies and brownies will be available as well as nightly specials. Each item is available for individual purchase.
